Sun Angle:	High: ☒ Low ☐	Scale of Prints:	1:12,000		
Date Received:	7/31/72	Prints Acquired from:	Teledyne Geotronics		

SUPPLEMENTAL DATA:

Original negatives of this flight were not available in the Whittier College collection, having been destroyed in a fire; therefore copy negatives were made from prints. Quality of resolution not best, but for 1931 we're fortunate to have any coverage. This is the earliest available.
