Burlwood
Roger Magee inquired about its purchase, F. A. Hihn replied that it would have to be sold through Probate proceedings 1063

Burnett & Sons

1735

Burnham, L. W. (Salinas)

Hihn Co. asked Salinas Planing Mill to comment on Burnham 1738

Burning at Laurel Mill

Saw Dust at Laurel Mill was hauled away to burner, along with hogged edgings 1373

Burns Creek

skids moved from Burrell Gulch 187

skid-road (F. A. Hihn mentioned a map as surveyed by Mr. Perry, line located by Mr. West, and directs S. L. Gibson on modifications) 732

F. A. Hihn Co. wrote S. P. Co. for permission to relocate a pile in creek bed 1613

Burrell Gulch

skids moved to Burns Creek 187

Butter barrels

Laurel Mill ordered to return them to Santa Cruz 1667-1658

Button, J. M.

1150

Buxton, Joseph C. (wood dealer, Aptos)

contracted to haul redwood firewood from at Valencia 754

lease sent to Frank Reanier 38

Byproducts of the forest

Hihn Co. considered the cost of gathering the strips of wood created as a byproduct of making shakes, to be used in shading fruit trees 1321
Cabin purchased
from Robert G. Paget for $10,900

Caduc, P.
237, 511, 540, 757, 775.1-775.2, 1023, 1951

Cahill & Hall Elevator Co. (San Francisco)
344, 776, 1204.1-1204.2, 1469.1-1469.2
its men installed elevator at Paso Robles Springs Hotel, and removed a brick wall in process; its lead man was "keeping up his spirits" and F. A. Hihn thought he was intoxicated a considerable part of his time 1471.1-1471.2

mentioned in letter [obscured meaning] from F. A. Hihn to Otto E. Never, Paso Robles Springs Hotel 485

repaired an elevator for which F. A. Hihn approved bill sent to A. T. Eastland, Secretary of Coast Realty Co. 753

Caine, J. H. (Dr.)
Water Bill in Arrears, Notice of Disconnect sent 3481

Cal Poly (San Luis Obispo)
F. A. Hihn accepted appointment as Director, Ag. Dist. No. 14, but made it clear he preferred service on Cal Poly Board of Directors 368

F. A. Hihn acknowledged his appointment as a Trustee 1386

F. A. Hihn described the ideal setting for it, and suggested to A. R. Booth (at Paso Robles) that "I doubt whether San Luis has anything like that to offer." 1646

F. A. Hihn explained the background of his appointment by Governor Henry T. Gage -- it was due to his promise to the people of Paso Robles, who wanted to have Cal Poly at Paso Robles 1417

F. A. Hihn indicated that he was to go to San Luis Obispo "next Thursday", i.e. March 6, 1902, "and be absent until Sunday night" 1859

F. A. Hihn mentioned to C. M. Jackson (Stockton) that he would be at the Palace Hotel (San Francisco) “Saturday morning” (Mar. 1st, 1902) for the meeting of the Polytechnical School Trustees 1761.1-1761.2

F. A. Hihn offered to meet Professor Wickson at the Palace Hotel in San Francisco or the Metropole Hotel in Oakland for a preliminary meeting before the Trustees met 1701

F. A. Hihn outlined his plan for development in letter to Senator Sylvester C. Smith 1688

F. A. Hihn received an application of Walter N. Ent (San Luis Obispo) for the position of Secretary to the Board of Trustees, which he replied that it would receive due consideration 1399

F. A. Hihn received his Commission as Member of Trustees, took oath, and returned same to Secretary of State C. F. Curry 1623

F. A. Hihn stayed at the Ramona Hotel, sent telegram that arrived after he got back to Santa Cruz 2018, 2063

F. A. Hihn took train via Laurel @ 2:45 on Friday, Feb. 28, 1902, headed for San Francisco meeting of Cal Poly Trustees; would pick up car report from S.P.R.R. Agent LaPorte at Laurel 1812
F. A. Hihn wrote Governor Henry T. Gage on the acquisition of the property for establishment of the campus of Cal Poly 2058.1-2058.5

F. A. Hihn wrote Prof. E. J. Wickson on several matters related to the acquisition of the Dawson Lowe property for establishment of the campus of Cal Poly 2057

F. A. Hihn wrote Prof. E. J. Wickson that he was available for meeting on Feb. 25th, 1902, at the Palace Hotel, S.F., or elsewhere 1681

F. A. Hihn wrote Superintendent of Public Instruction Thomas J. Kirk on the acquisition of the property for establishment of the campus of Cal Poly 2065

F. A. Hihn wrote Trustee Warren M. John on the acquisition of the property for establishment of the campus of Cal Poly 2066

First meeting set for the Palace Hotel, San Francisco, Saturday, March 1, 1902; F. A. Hihn wrote Prof. E. J. Wickson that he would be there 1733

Important meeting of the Polytechnic School Board" [in San Francisco] about Saturday, Jan. 3, 1903 2200

Paso Robles vied for its location, but the Legislature favored San Luis Obispo 1646

regarding F. A. Hihn’s personal attitudes and other matters: Eastland Estate and Eastland family:

acknowledged receipt of pay roll from Lightner Mining Co. 1463

advised Cyrus Thompson (Lockhart, TX) to secure loan from City Bank of Santa Cruz that description of property, etc., should be pledged as collateral 1889

advised Joseph L. Eastland against the impact of drinking liquor 1167

Dividends of $165 each 6-mos. Acknowledged by F. A. Hihn on 11 shares of San Francisco Savings Union (shares were in F. A. Hihn’s name, assigned by Alice in trust for Dr. & Mrs. Urquhart and children 1071

made a trip (sometime before Dec. 1901) to Sparta, Tennessee, to examine Eastland Estate properties 341

offers advice to Joseph L. Eastland on a more frugal life style 209

receipt sent to Lightner Mining dividend ck. for Feb. 1902 $353.70 1780

regarding F. A. Hihn’s personal attitudes and other matters: Lumber Mills & Yards:

“set A. C. Bassett straight” when he countered Bassett’s letter of complaint, Hihn complained that “a certain party, not a contractor, bought lumber from the Loma Prieta Lumber Co at contractors’ rates.” 3489

“There is no use of bewailing the error of the past. I am ready to grapple the future.” - response to A. C. Bassett, Loma Prieta Lumber Co. 3784

acknowledged receipt of drawings & memo from Dunham, Carrigan & Hayden Co., San Francisco 2194

admitted to R. T. Stone (his Superintendent at Laurel) that his plan for building a reservoir was better than his own; sent a rev. const. plan 3250

apparently decided to order from S. H. Chase Lumber Co. in order to help support Chase in business, and, of course, to control prices; he asked A. C. Bassett (Loma Prieta Lumber) to do same 3717

apparently had to settle personnel problems, see letter to James D. Rickard 2807

apparently had to settle personnel problems, see letter to R. T. Stone 2805

asked S. L. Gibson to “please consider that we are all liable to err”; in response to Gibson’s apparent complaint about R. T. Stone 3251

asked W. R. Johnston to meet him at Salinas train on Jan. 31, 1902 1249

complained to Judson Mfg. Co. that its price allowed on 8500# cast scrap was $1.00 lower than what he could have received in Santa Cruz, and freight being less than half than to Emeryville 3774

complimented H. A. Olmsted (Monterey) on his "quite satisfactory" work and reports in re dismantling, packing and shipping of equipment from Monterey to Santa Cruz 3581
First National Bank (Salinas): F. A. Hihn resigned to apparent fact that it was not to settle dispute over its account?, and would not pursue it further “unless they admit that they are wrong.” 1422

had letter sent to S. L. Gibson at Laurel with instructions for cutting bank for the Dutch oven 2163

had to calm the rage of R. T. Stone (Mgr. Laurel Mill) in re complaint of S. L. Gibson 3271

Hihn wrote H. A. Olmstead (Monterey) that Mr. Green’s bid on brick at $20. was less than Hihn anticipated, so Hihn advised Olmstead to take brick at that price 3777

in reply to R. T. Stone (Superintendent of Laurel Mill) that ‘I regret that you should have expressed yourself so forcibly for which there ought to be an certainly is no necessity whatever. It is my desire to make all communications as pleasant and harmonious as possible. If we have to differ, which is apt to occur, it is better that no hard words be used.’ 3074

in San Francisco on April 10, 1903 - based on ltr. to H. A. Greene (Monterey) 3406

in San Francisco to check on Western Union’s order for telegraph poles 287

instructed S. L. Gibson on procedure for marking O.K.s on the time book 110

left for S.F. the evening of Mar. 10, 1903; wrote R. T. Stone at Laurel that he would take the pipe cutting machine, etc. and report on his return 2996

letter to Eby Machinery Co. in re equipment for Laurel Mill, as per “the verbal agreement with our F. A. Hihn” 2947

(continued) regarding F. A. Hihn’s personal attitudes and other matters: Lumber Mills & Yards:

Convention of Manufacturers and Dealers, proposed by S. H. Chase (San Jose), Hihn was skeptical about its success because the “leaders in that line do not seem yet to be ready to live and let live.” 1161

designed new spool for cable, asked J. O. Dunham for suggestions 881

directed Frank Reanier to have pickets made from downed timber along Bridge Creek 2134

directed R. T. Stone in methods of keeping records of sales at Store, hiring practices of employees, and buying a cash register (although he could probably get one cheaper than $125) 3161

directed R. T. Stone to gather discarded headblocks so he could sell to someone who wanted to build a cheap mill 3303

F. A. Hihn authorized the Santa Cruz Lumber Yard to reduce prices to meet all competition, and 2% cash discount 3883

F. A. Hihn bought electric power plant and associated machinery from Harry Ashland Greene (Monterey) for $2500; in exchange for $5000 value in lumber and materials for a building for Greene, designed by W. H. Weeks 3425

F. A. Hihn designed a Day Book for Laurel Store and sent specs to Freygang-Leary Co. (S. F.) 3051.1-3051.2

F. A. Hihn directed R. T. Stone to direct the Cook at Laurel Mill to make liberal use of sourkraut, beans, prunes, pitted plums, squash, and dried apples – instead of canned fruits; asked if there was any demand for hay to outsiders 2982
regarding F. A. Hihn’s personal attitudes and other matters: Lumber Mills & Yards:

notified by J. H. Routt that he had written to Eby Machinery Co. warning the Co. that late delivery of the new Laurel Mill equipment would be serious; Hihn was in S. F. and should he see Mr. Eby, Routt hoped that Hihn would bring the matter to Eby’s attention 2829

received letter from Matthew Preshe regarding expenses for shipment of lumber, but forwarded it to Hihn Co. for answer 1462

received letter from Mr. D. Culbertson at Caspar, Mendocino County, Cal., and ask if he was still open for a position suitable to him 1465

received letter from Mrs. Hickey at Laurel, but forwarded it to Hihn Co. for answer 1464

redesigned the configuration of Laurel Mill “to avoid the expense of a debris conveyor” 2799

sent a revised construction plan for Reservoir to R. T. Stone (his Superintendent at Laurel) 3428

states plan to build a lumber dryer, powered by steam produced from waste steam from Laurel Mill boilers 1739.2

wrote to Joshua Hendy Machine Works asking for an offer on machine 2895

wrote to Joshua Hendy Machine Works to settle amicably 3 issues regarding contentious transactions 3879

regarding F. A. Hihn’s personal attitudes and other matters: Lynch Estate and Lynch family:

apologizes to Mrs. Almira Hunt for delay in responding to her letter 96, 99

gave outline of his young years, his 52 years in California, and only one vacation, was now 72 years old and wanted to quit; proposed settlement of Lynch Estate 815.1-815.2

noted in letter to Mrs. Lynch that he had “had charge of the Lynch Estate” for twenty-one years 190

received 5% fee of $150. on sale of R. R. Right of Way across Lynch Estate property at Spadra, Los Angeles County, for $3,000. 179

urged arbitration rather than a law suit in dispute by Charles M. Wright in re commission for sale of Lynch-Wright property in L.A. 2059, 2069

Wright, Charles M. (joint owner of Los Angeles property with Sedgwick J. Lynch) claimed he sold 5 lots and Hihn deducted commission from his share of the proceeds 2069

regarding F. A. Hihn’s personal attitudes and other matters: Paso Robles property, including Paso Robles Springs Hotel:

found fault with contract performance of Cahill & Hall’s installation of elevator at Paso Robles Springs Hotel 1469.1-1469.2

intended to go “very soon” to inspect elevator installed or repaired at the Paso Robles Springs Hotel by Cahill & Hall Elevator Co., San Francisco 776

took inventories of lumber delivered to Paso Robles Springs Hotel 2565.1-2565.2, 2724.1-2724.3

regarding F. A. Hihn’s personal attitudes and other matters: Paso Robles Springs Hotel:

advised Mrs. Jane Lynch that he had served her for 21 years since S. J. Lynch died, for little compensation 270, 272
regarding F. A. Hihn’s personal attitudes and other matters:

Real Estate transactions of F. A. Hihn Co.:

evidently had gone to Salinas on Jan. 31, 1902; August C. Hihn wrote his for instructions on proposal of Thomas W. Kelly for rental and remodeling of store on Pacific Ave., Santa Cruz 1257

in San Francisco on April 14, 1903, and his Co. in Santa Cruz mailed him quotes received by telephone on sewer pipe from Steiger & Clark & Son 3437

instructed his son F. O. to report to J. A. Carman at Eccles in re advancing money on his place 3386

- F. W. Blume, band saw filder at Laurel Mill, was asked if he wanted job again in 1903 on same terms as 1902 2821

- Files ordered from Dunham Carrigan & Hayden Co., San Francisco 2625

- Fire Prevention: Laurel Mill watchman's clock, two or four stations were established by Feb. 24, 1902 1736

- Firewood was still a product being shipped, in spite of the fact that the new Mill was not yet operational 2818

- Firewood: F. A. Hihn notified Borchers Bros. (San Jose) that the Laurel Mill was delayed in starting up, due to late delivery of equipment from the east, therefore Hihn's quote on Redwood Slabs would have to be postponed to the middle of June 3747

- Firewood: Powder Wood, Madrona, Redwood, plus shakes - Hihn Co. wanted a count of stock at Laurel Mill, and costs for packing, hauling, and loading on R.R. cars 3548
Laurel Mill (F. A. Hihn Co.) (continued)

four San Francisco firms asked to bid on belting for Laurel Saw Mill – F. A. Hihn wrote that "We are about ready to belt our new saw Mill at Laurel, Cal." 3645

Fred Griffin asked to delay resumption of his work until further notice 2333

good weather spurred reforms in loading practices of railroad cars, maintenance of cables, etc. 2050

Governor Spring ordered from Eby Machinery Co. 3030

hardware ordered for Laurel Mill from Payne Bolt Co., San Francisco 2402

Hihn advised Eby Machinery Co. (S.F.) to make new crank for Engine Shaft 3288

Hihn advised N. Jensen (Tres Pinos Warehouse Co.) that the mill was not yet in operation and Hihn Co. had to rely on other mills to supply lumber 3860

Hihn advised Western Union (F. H. Lamb) that poles were unavailable, but the Laurel Mill would be running June 1st when poles would be supplied if ordered 3297

Hihn asked Chase Lumber Co. if there was a San Jose machine shop that could do some work on his 9” Engine shaft 3154

Hihn asked Crane Co. for bid on belts, rubber and leather, for the saw mill "now being constructed at Laurel" 3678

Hihn asked Drew & McDonald (San Jose) for information on its Dust Collector installations elsewhere, and gave size of rebuilt Laurel Mill as 60’ wide x 150’ long, with ground floor, etc. 3313

Hihn asked for price quote on misc. equipment from Dunham, Carrigan & Hayden Co. 3616

Hihn authorized R. T. Stone to set the Monterey Boiler in place as a spare in the event that the other four failed 3662

Hihn clarified order with Dunham Carrigan & Hayden for wheel barrows 3216

Hihn Co. advertised in Fresno Republican, San Jose Mercury, and Santa Cruz Surf for road builders and laborers for Laurel Mill 3732

Hihn Co. advised the Cal. St. Bd. of Trade that its Mill "burned down last summer" and expected to have the new one in operation by "the first of May." 2826

Hihn Co. anticipated the Mill would be in operation by June 1st 1903 3367

Hihn Co. asked for discounts from Menaska Wood Split Pulley Co. 3944

Hihn Co. asked Magnolia Metal Co. (New York) for quote on 1,000 - 1,500 lbs. of various types of metal delivered at Erie for carload of machinery 2513

Hihn Co. asked Mr. C. Froelich (San Francisco) for price on cast iron reducer 3119

Hihn Co. claimed shortage of 3-3/4 gallons of Coal oil short; Wellman-Peck & Co. replied that neither it nor Standard Oil Co. had ever had a claim of this type; Hihn Co. was asked to tell it how the Oil was measured and report back 3552

Hihn Co. expected carload of machinery to arrive in San Jose; advised SP that each piece was to be weighed 3480

Hihn Co. expected full operation of mill by June 1, 1903 3293
Laurel Mill (F. A. Hihn Co.) (continued)

Hihn Co. expected it to be operational by June 15, 1903 3659

Hihn Co. forwarded a letter from Dunham, Carrigan & Hayden Co. to R. T. Stone (Laurel supt.) notifying him that order for shovels was cancelled 3595

Hihn Co. invited Mr. Butterfield, Millbrae, to accept job at Laurel Mill as millwright at $4.00 per day 2306

Hihn Co. made claim for equipment not yet received from Eby Machinery Co.: Shimmer Matcher Heads, dado heads or Mitre cutter 3555

Hihn Co. ordered "Cowen" Firebrick for Laurel Mill from Henry Cowell Lime Co. 2432

Hihn Co. ordered 2 carloads of com. well burnt brick from San Jose Brick Co. for Laurel Mill 3350

Hihn Co. ordered a check valve from Crane & Co. (S.F.) 3953

Hihn Co. requested inventory of lumber on hand 3189

Hihn Co. responded to inquiry of Truckee River General Electric Co. (S. F.) that its Laurel Mill was not yet in operation, expected June 1st to be able to respond to its orders 3573

Hihn Co. wrote Reed & Cleve (San Francisco) for expected delivery of the patterns for bronze gears for head blocks 3538

Hihn Co.'s Laurel Mill was not yet in operation (Apr. 20), expected it in operation by June 1st, 1903; advised Rush Jose (Salinas Lumber Yard) that lumber he needed was not available in San Francisco 3512

Hihn confirmed arrangement & instructed H. A. Olmstead (Monterey) on his charge to ship boiler and other machinery to Laurel and Santa Cruz or Capitola? 3424, 3502

Hihn confirmed his orders for brick, lime, cement, and pine tar 3353

Hihn expected more control over content of rail cars once the Mill got started 3937

Hihn gave instructions to R. T. Stone (Laurel supt.) for the construction of a flume to utilize the water of Burrell Creek for Laurel Mill, Cook House, and Fire Protection 3596

Hihn notified Rush Jose (Hollister Lumber Yard) that some of his order was placed, but Laurel Mill was not yet operational; when it is "we trust our troubles with lumber orders will then come to an end" 3876

Hihn offered proposal to Harrington & Moore (Santa Cruz) to supply fresh meat to Laurel Mill 3146

Hihn offered R. T. Stone position as Superintendent 2710

Hihn ordered a drop forge chain pipe tongs from Dunham, Carrigan & Hayden Co. 3148

Hihn ordered a Hall & Brown Sticker machine from Eby Machinery 3305

Hihn ordered Lard from Harrington & Moore (Santa Cruz) and asked for price that would compete with dealers in Santa Cruz, San Jose & Los Gatos 3277

Hihn replied to Dunham, Carrigan & Hayden Co. and ordered pipe stock and dies, and steel rods 3025

Hihn replied to Eby Manf. Co. in regard to exact measurements on the pulley and engine 3024
Laurel Mill (F. A. Hihn Co.) (continued)

Hihn requested a price quote on band saw filing room equipment from Eby Machinery Co., California Saw Works, and Simonds Saw Co. 3932

Hihn responded to Rush Jose (Mgr., Hollister Lumber Yard) that he expected that once the Laurel Mill was in operation, the supply of lumber would be more regular; provides list of current 2-car shipment 3703

Hihn sent a new price schedule for lumber Laurel to Hollister Lumber Yard 3378

Hihn solicited special rate from S. P., noting that he had "routed the shipment" of sawmill machinery over its line, asked for rate of 3¢ per ton or less 2540

Hihn stated that "the new mill is nearing completion" 3056

Hihn withdrew proposal to Harrington & Moore (Santa Cruz) to supply fresh meat to Laurel Mill 3174

Hihn wrote John D. Eby, Eby Machinery Co., confirming that certain equipment was to be included in his order; he asked if it wasn't usually a part of the "transfers" - why would it have to be ordered specifically? He was also concerned about the delay in shipment of the equipment 3020

horse team supplies ordered from Main & Winchester, San Francisco 2945

instructions sent by J. H. Routt to Laurel Mill for maintenance of slab firewood shipment, freezing pipes, etc. 334

J. H. Routt replied to A. Wideman Co. (Gonzales) that the Hihn Mill would be operational by May 1, 1903 2804

J. R. Reish (Oroville) offered job at Laurel Mill as millwright 2324

kitchen bacon ordered from A & C Ham Co., San Jose 2335

kitchen supplies ordered from San Francisco 2133

kitchen supplies ordered from Sussman, Wormser & Co., S. F. 2486

kitchen supplies ordered from Sussman, Wormser & Co., San Francisco 2258

kitchen supplies ordered from Sussman, Wormser & Co., San Francisco 2337

lard oil ordered from W. P. Fuller & Co. 2865

lathe ordered from Eureka at $250., if price acceptable 2779

lathe purchased from Eureka Foundry (Eureka, Cal.), freight settlement check sent for $6.02 3484

Laurel Warehouse Report book ordered holes punched, detachable sheets 2345

letter asking for bid on Babbitt metal sent to three San Francisco firms 2471

List of Pulleys and hardware sent to Portland, OR, Postmaster, asking him to forward same to "responsible parties dealing in Pulleys, Shafting &c" 2511

logging equipment was to be ordered, F. A. Hihn wrote R. T. Stone asking what had happened to order 3410

Logging tools - inquiry to Eby Machine Co., San Francisco, for price of Hill's Steam Nigger 2145
Laurel Mill (F. A. Hihn Co.) (continued)

Logging tools - order to Eby Machine Co., San Francisco 2328

logging tools & kitchen tools ordered from Dunham, Carrigan & Hayden 3005

logging tools ordered from Baker & Hamilton, San Francisco 2226

logging tools ordered from San Francisco 2143

lumber for carriage frame ordered from Simpson Lumber Co., to be milled by California Planing Mill 2447

Lumber order for G. W. Rowe for flume could not be filled in March '03, Laurel Mill would not be rebuilt for two months 3098

Lumber order for Salinas Lumber Yard 2167, 2183

lumber required of Burnett Bros. (Sacramento) was not yet available, "In a few weeks our new saw mill will be in operation...." 3166

Lumber shipped to Spreckels Sugar Co., Spreckels, Cal. 2533

Lumber Yard Day Book specifications given to LeCount Bros. 2373

machinery ordered from Eby Machine Co. 2179.1-2179.3, 2211

machinery ordered from Eby Machinery Co. (S. F.) was delayed, prompting F. A. Hihn to complain that "we are now far beyond the time contemplated for the completion of the mill." 3710

Magnolia Metal ordered from Simonds Saw Manufacturing Co. 2570

millwrights were paid $4.00 per day, board charged at 50¢ per day 2691

movement of logging operation from "east branch" discussed with F. A. Hihn 245

Mr. Potter (the cook) was asked to take inventory of all provisions, on the last day of each month, and daily receipts by keeping a pair of scales for weighing meat, vegetables, etc. 2854

Mr. Stone was identified as Laurel Mill foreman; mentioned in letter to prospective Millwright, John W. Rigsby (McCloud, Ca) 2691

nails ordered from Roebling & Sons Co. (San Francisco) 2741

New York Belting advised that its price quote from Mr Daggett was received but no decision yet made on Leather Belts for Laurel Mill 3923

one ton of coal ordered from Dunham, Carrigan & Hayden 2637

order for Company Store supplies 65

order for Firewood, Madrone & Peeled Oak ordered by McCracken Bros., San Jose 2085-2086

order for Horse Shoes, and an Egg Beater, placed with Dunham Carrigan & Hayden Co., San Francisco 2395

order for Spring (with nut on end of spring) "in case of another break", from Eby Machinery Co. 3059

order from Eby Machine Co. of new equipment to rebuild after fire 2327.1-2327.3

order of Lumber from Laurel Mill for M. Williams, Gonzales 2682

order placed with Bowers Rubber Co. for Live Oak Brand belting 3957

orders for firewood to be shipped to San Jose, Santa Clara, etc. 2171
Laurel Mill (F. A. Hihn Co.) (continued)

orders for Hollister, Salinas, & Santa Cruz Lumber Yards of F. A. Hihn Co. 2358.1

Oregon Pine lumber for saw mill carriages request for quotation from Port Costa Lumber Co. & E. K. Wood Lumber 2505

Oregon Pine timbers for Laurel Mill sawmill carriage were unavailable in San Francisco, F. A. Hihn directed S. L. Gibson to cut them from Santa Cruz Pine, Laurel, per specs of Mr. Stone 2550

our Aptos Saw Mill, which Mill was moved (in 1900) from Aptos to Laurel 108

Pine timbers to be sawed or hewed for rebuilding of Mill listed by F. A. Hihn 2456

planing equipment shipment put on hold with Eby Machinery Co., S.F. 2775

price quote on leather belts requested from L. P. Degan (S.F.) 3919

price quote on smoke stack requested from San Francisco companies: John D. Eby, W. W. Montague, P. F. Dundon, Dunham-Carrigan & Hayden 2450

price quote requested from Gutta Percha & Rubber Mfg Co. for Rubber Belts for Laurel Mill 3924

price quote requested on shafting, boxes, collars, pulleys from Dunham, Carrigan & Hayden Co. 2579

prices and sizes of Electric Poles quoted to R. Hart (Santa Maria), starting abt. June 15, when Laurel Mill would be in operation 3667

quotes for supplying snatch blocks of chilled cast iron requested from J. S. Roebling & Sons Co. & American Steel & Iron Works 3745

quotes for supplying snatch blocks of chilled cast iron requested from American Steel & Iron Works 3748

R. T. Stone (Laurel Mill Supt.) was asked for explanation of J. G. Beale’s claim of $55 per mo. wages 3518

R. T. Stone (Laurel Mill) was asked to send size of jackscrew so that gear wheels and pinions could be ordered 3916

R. T. Stone was asked for list of fittings for Monterey Boiler that he wanted sent to Laurel 3917

railroad ties at two switches to be replaced by S.P.R.R., F. A. Hihn suggested using his ties at Laurel 115

referred to by F. A. Hihn in his estimates distances, building Laurel flume 3711

Reliance Dogs ordered for Laurel Mill via Henshaw, Bulkey & Co. (S.F.) 3329, 3331

request for prices on Pulleys and hardware from Allis Chalmers Co., San Francisco 2510.1-2510.2

Routt, J. H. requested permission from S. P. Co. to place a telephone in its office to facilitate communication between S. P. & Laurel Mill 1723

San Jose meat companies asked for quote on price of fresh steer meat for 1903 season at Laurel Mill 3127

Saw Filer application from Mr. Spencer (San Francisco) put on file for action in three or four weeks 3466

Set Works ordered from Joshua Hendy Machine Works (S.F.) 3175
Laurel Mill (F. A. Hihn Co.) (continued)

- shipment of Channel Rustic #2 to Union Lumber Co., San Francisco 2527-2528

- shipment of machinery arrived in San Jose, Eby Mach. Co. notified 3846

- shipment of machinery arrived on May 18, 1903 at narrow gauge depot in San Jose; Hihn Co. advised that Eby Machinery Co. would send their agent to arrange shipment; asked about weight of equipment 3818

- shipment of machinery from Eby Machinery Co. included wrong saws 3368

- shipment of machinery had arrived in San Jose on Apr. 23, 1903, fgt. agent telephoned to notify Hihn Co.; Hihn also notified Eby Manufacturing 3541-3542

- shortages of equipment supposedly shipped reported to Eby Mach. Co. 3768

- Smoke Stack for Laurel Mill ordered from W. W. Montague & Co. 2467, 2607, 2789

- Snatch block Sheivis with metaline Bushings cored for 3/4" rope ordered for Laurel Mill from Murray Bros. (S.F.) 3685

- Spreckels Sugar Co. given credit for bookkeeping error made by clerk at Laurel, plus freight, etc. 2616

- Standard Oil Co. ordered to send car tank of Coal Oil to Laurel Mill 2257

- started its first cut of telegraph poles on Feb. 4, 1902, for the 1902 season 1330

- stationary engine with cable to be used for lumber and railroad cars 317

- steam gauge sent to Murray Bros. for testing 1148
Laurel Mill (F. A. Hihn Co.) (continued)

tank of coal oil ordered from Standard
Oil Co., San Jose 2547

telephone Line: F. A. Hihn directed R. T.
Stone to get line in order at Laurel
3303

telephone system -- would it be an
advantage? J. H. Routt for F. A.
Hihn Co. asked S. L. Gibson "What
advantages would be gained"? 1808

telephone wires down 490

the engine shaft was sent to Eby
Machinery Co. for cutting and
turning 3204

the Hihn Co. approved for R. T. Stone
(Mgr., Laurel Mill) a schedule of
wages for its Logging Department
3389

the Mill and large portion of stock lost
by fire, could not decide what to do
about stock at Paso Robles Farmers
Alliance Business Association 2180

the new mill was not expected to be
ready to supply a full range of stock
needed by Charles White,
Campbell, until May or June 1st,
1903 2817

Thomas Parker (carpenter and
millwright): F. A. Hihn sent him to
Laurel with letter to R. T. Stone
(superintendent) with instructions
"Please give him a job." 3680

told to economize - use cable instead of
chain for raising gates; cows should
do without bran as grass is good
now 1974

Tool & Die cutting equipment, price
quote from Dunham, Carrigan-
Hayden 2776

tools & equipment ordered from
Dunham Carrigan & Hayden Co.
2783

twenty-eight changes in plans of Mill
design specified to Mr. Stone 2317

two grades Babbitt Metal ordered from
Selby Smelting & Lead Co. 2569

used Coal Oil from Standard Oil 2905

W. R. Johnston ordered equipment for
Planing Mill from Eby Machinery
Co. 2781

W. R. Johnston ordered pipe for Planing
Mill Blower System 2780, 2838

W. R. Johnston ordered Smoke Stack
from W. W. Montague & Co. 2503

wages paid in 1901-1902 sent to R. T.
Stone [but not present with this
letter] 2951

wallpaper ordered from Uhl Bros., San
Francisco 2173

watchman’s reports had not been
received by Hihn Co., explanation
sought 2777

Western Union Telegraph Co. Inspector
due at Laurel Mill on Monday, Feb.
24, 1902 1709

William R. Johnston requested prices on
iron and wood pulleys, shafting,
boxes for Saw Mill from Globe Iron
Works, Stockton 2485

windows ordered from Whittier, Coburn
& Co., S.F. 2038

wintertime operations questioned 235-
236

Laurel Mill Bookkeeping

asked to send time books to Santa Cruz
office 1774

August Charles Hihn directed that
logging tools for the Laurel Mill
were to be apportioned to each
employee on the books 654
Laurel Mill Bookkeeping (continued)

Day Book reference requested by Hihn Co. 1944

Inventory categories specified 524

Inventory of horses, wagons, harness, furniture, etc. requested from S. L. Gibson 1310

inventory of each cook house requested 1878

list of houses and tenants with rental rates sent to S. L. Gibson at Laurel 289-290

list of shipments overdue from D. A. Laporte 301

teamsters were apportioned the hay and barley for their teams 654

teamsters’ reports - instructions on notations specified 481; instructions on how to annotate report for receipt of Barley and Hay 717

weight of meat was to be entered in Day Book 1763

control of meat supplies was a problem, special instructions were issued 1602

Cook House equipment ordered from Dunham Carrigan & Hayden Co., S.F. 2031

Cook House supplies ordered from Sussman, Wormser & Co., S.F. 1764

cooks for logging camp and Mill discussed by F. A. Hihn in letter to Fred O. Hihn 1073

Dunham, Carrigan & Hayden Co. could not locate 4-gallon Iron Stew Pot, so Hihn Co. told Co. that a 6-gallon pot was o.k. to send 1344; kitchen equipment ordered 1223; kitchen equipment: stew pot & dishpans 1258

Egg Beater ordered for Laurel Mill, placed with Dunham Carrigan & Hayden Co., San Francisco 2395

F. A. Hihn directed R. T. Stone to direct the Cook to make liberal use of sourkraut, beans, prunes, pitted plums, squash, and dried apples – instead of canned fruits; asked if there was any demand for hay to outsiders 2982

Lumbert, C. W. (Mr.)
to be notified that his bid made to W. R. Johnston to do the plastering in the elevator shaft at Paso Robles was accepted 483

Lynch (Mr.)

mentioned by F. A. Hihn in letter to H. E. Adams in re Cal Poly, San Luis Obispo: F. A. Hihn explained the background of his appointment by Governor Henry T. Gage 1417

Lynch, Jane Donohue

(Mrs. Sedgwick James Lynch) 179, 190, 229, 249, 251, 270, 272, 370, 501, 1076, 1385, 1941, 2269

agreed to partition deed in re Estate of Sedgwick James Lynch partition of Spadra land of Lynch and Wright 2108
Lynch, Jane Donohue (continued)

Hihn, F. A. indicated that he had no written contract with her but had no doubt that she would approve of his act, if he sold property in Los Angeles 1211

letter to C. M. Wright in re Estate of S. J. Lynch 70

received 17/30ths of Estate’s value from F. A. Hihn, Trustee 179

told Elmer Simpson that she had no money to buy him out 369

wrote Almira Hunt with explanation of proceeds from sale of railroad right of way, and $20,000 worth of property was set off for Mrs. Lynch 266-269, 815.1-815.2

Lynch, Sedgwick James (Estate of)

Almira Hunt (Daughter of S. J. Lynch) was asked by F. A. Hihn to look over the letter from T. J. Green and if approved, sign next to her mother’s signature (Mrs. Jane Lynch) 3430

advised Jane Lynch that Mr. Wright’s offer was not satisfactory 1076

advised Mrs. Lynch that he would not gamble the hope of winning a lawsuit, but settling out of court 370

Craig, Fannie (Mrs. William Craig) apparently F. A. Hihn’s check was lost; he stopped payment until he heard back from her 999

F. A. Hihn paid the Griffith Co. bill for the Lynch Estate to J. A. Graves 2754

Fogg, Harry land rented to whom a signed lease was sent by the F. A. Hihn Co. 263

Ford land: F. A. Hihn told John S. Chapman, in re Lynch Estate, to have judgment entered against himself Mrs. Lynch and her children entered, and advise him of costs 361

Hihn, F. A. advertised privately to Messrs Wright & Callender, Los Angeles, that a Los Angeles lot belonging to Mrs. Jane Lynch was for sale at $13500 1732

land at Spadra to be leased to R. C. Steele 2107-2108

letter was returned to F. A. Hihn, he forwarded it to her at Carlton Hotel, Pasadena 1179

list of Lynch Trust Property in account with F. A. Hihn Company 179

Lynch & Wright’s Spadra Ranch partition for the benefit of the heirs 170

Mary Jane Withee sent $60 check 2268-2269

property in Los Angeles, a lot 192.8 x 130 ft. at 7th & Lucas offered to Daniel T. Althouse for $60 per front foot 1211

quoted price of property to Wright & Callander, Los Angeles 1816

raised the price to $75 per ft on part of lot belonging to Mrs. Jane Lynch 1941-1942

request to William J. Lynch to return balance due 496; to Mary Jane Withee to return signed voucher 497; to Almira Hunt to return signed voucher 498; to Elmer Simpson to return signed voucher 499; to Fannie Craig to return signed voucher 500; to Jane Lynch to return signed voucher 501

sent Mrs. Fannie Craig a check to replace the wayward letter sent earlier 1135-1136
Lynch, Sedgwick James (Estate of)  
(continued)  

Simpson, Elmer offered a trade for Santa Cruz or part of block on Boyle Heights, Los Angeles 369; Elmer Simpson wanted $3000. cash for his part of the Estate 370  

Statement of Distribution as sent to each of the Estate's Beneficiaries 502  

statement of Lynch Trust Property in account with F. A. Hihn Company 190  

to be paid $100. from Wm. J. Lynch's interest in the Lynch trust 1385, 1388  

Wright, Charles M. joint owner of Los Angeles property of Sedgwick J. Lynch & Wright was handled by F. A. Hihn, Executor of Estate; apparently Wright was claiming commissions on sales of Seventh Street tract 1766, 2059; Hihn proposes alternative methods of partitioning Lynch & Wright Ranch 2069; offered to sell his 1/3d interest for $55,000 940; sent F. A. Hihn a check for $3,000., the Estate's share of proceeds from the Spadra Ranch 942  

wrote Almira Hunt with explanation of proceeds from sale of railroad right of way, etc. 266-269  

wrote Charles M. Wright that he wanted to settle Estate; proposed partition of Spadra Ranch 815.1-815.2  

wrote Jane Lynch with explanation of balances and charges made to finalize the Estate 270, 272  

accounting as of Nov. 8, 1901, sent to Jane Lynch 251  

Lynch, William J.  

269, 496, 538, 2736  

agreed to partition deed in re Estate of Sedgwick James Lynch partition of Spadra land of Lynch and Wright 2108  

identified as married man for purpose of a partition deed of land at Spadra 2108  

received 3/30ths of S. J. Lynch Estate's value from F. A. Hihn, Trustee 179; was sent a check for $85 from F. A. Hihn 538  

Lynch, William J. (Mrs.)  

F. A. Hihn complied with her request for $100, but advised her on "spending the capital" of the Lynch Estate; "of course sickness will excuse an attack on the principal" 1388  

Lynch Trust Property  

accounting sent to William J. Lynch by Walter Bennett Anthony, on behalf of F. A. Hihn 2736  

Lyndon & Son, James H. (Los Gatos merchant)  

furnished lumber for culvert built by John Zehren 113

engine at Aptos was refitted with drum 207

engine transferred 36

were fired with 2’ slabs from Laurel 284
Railroad freight

George Hovey (Salinas Lumber Mill) was instructed on billing the Santa Cruz office, and on loading railroad cars 3239

Railroad freight rate

Redwood lumber freight rates on Southern Pacific R.R. questioned by F. A. Hihn Co. 1611

shipping rates from Felton had been quoted at $2. per cord on redwood, special on pine 564

sought for Slabs from Laurel to Soledad 2026-2027

tariff rates: J. H. Routt, for F. A. Hihn Co., explained an earlier letter in re certain grades of lumber and requested a tariff rate applicable to #1 & #2 Rustic, T. & G., etc. 1660

Railroad hoisting engine

located at the tunnel 389

Railroad iron

300 ft. of 18 lb. steel rail: subject of letter to Jardine Machine Works 552, 554; was sold and ordered shipped to J. C. Reynolds, Cottonwood, Shasta Co. 555

F. A. Hihn asked for credit memo from Judson Mfg. Co. for rails that could not be straightened and scrap iron send during April 3670

F. A. Hihn wrote to Joshua Hendy Machine Works to settle amicably 3 issues regarding contentious transactions 3879

Hihn Co. asked N. H. Toft, Felton, to estimate cost of removing rails from the “Saw dust track” and preserving the Fish Plates, Bolts and Spikes - storing them “down by the main switch” 2852

rails and bolts shipped on order of Jardine Machinery Co. to Reynolds, Cottonwood, Cal. - less the bolts which did not fit 614

Railroad sidings

F. A. Hihn stated that the South Pacific Coast Railroad had not compensated him for its right of way at Laurel 3212

Gold Gulch: Hihn Co. asked Emil J. Tann what it would cost to load balance of wood, posts and shingle bolts along the track 3229

lumber ordered for W. C. Forde, Eccles, for delivery at Union Mill Switch 2685

railroad stake cars ordered from Southern Pacific Agent at Felton, for delivery at Fahihn Switch 2632

Railroad shipments

carload of firewood shipped to San Jose for any party that would take it: C. L. Torr, Borchers Bros., E. B. Mercadier, or Hewitt & Morris; S. P. Agent asked to call them and deliver car to whomever would accept carload 2401, 2405, 2407

Hihn requested report on all S. P. cars, with commodities and consignees, for year Jan ’02 to Jan ’03 from Felton 2235 - 2236

machinery for Laurel Mill, from Eby Co. to be shipped on S. P. cars from the East, otherwise transfer to S. P. would be required 2211

Nils Hansen Toft: Hihn Co. was angry at his absence, wood was not loaded on SP cars to fill orders during his absence 2687-2688

Railroad stations

Fahihn and Felton, statements of shipments requested from S. P. Agent for 4th Q, 1901 298
**Railroad stations** (continued)

switches at Laurel (railroad ties at two switches to be replaced by S.P.R.R., F. A. Hihn suggested using his ties at Laurel) 115

**Railroad steel**

Hihn Co. asked Judson Manf. Co., San Francisco, if it was possible to straighten and plane tee rails that were burned in its Laurel Mill fire (Fall 1902) 2915, 2917

Hihn Co. quoted steel rails from Gold Gulch to R. E. Steele, New Year’s Pt 3449

Hihn inquired of Judson Mfg. Co. about his order for 90 ft. of 40# T Rail 3746

Hihn replied to Judson Mfg. Co. phone call regarding planing and straightening of rails, sent diagram 3499

Hihn sent to Judson Mfg. Co. 847 lin. ft. rails (20# & 50#) for planing and straightening; some scrap cast iron 3483

**Railroad Ties:**

400 7X8 - 8 Redwood ties ordered from Laurel Mill for Southern Pacific Co. c/o R. P. Schwerin 1374

400 7X8 x 8’ ties available, Southern Pacific notified 1326

400 ties were ready for shipment by F. A. Hihn Co. to S. P. Co. 1725

Hihn Co. asked S. P. for clarification of its order: Are the 400 ties an additional order? 1358

ready for shipment, Southern Pacific was asked for shipping directions for 1,000 ties 1143

**Railroad Tramway**

at Laurel Mill: cables were to be maintained now with good weather 2050

**Railroad Turntable**

S. P. Co.’s old turn-table pit (at Chestnut & Union Sts.) was declared a nuisance by F. A. Hihn and neighbors 1863

**Railroads**

(Narrow Gauge vs. Broad Gauge)

Hihn Co. ordered Oregon Pine from Bellingham Bay Imp. Co. (S. F.) for Santa Cruz (via Narrow Gauge) and Hollister (via Broad Gauge), but had to restrict lengths to 30 ft. due to length of cars on the Narrow Gauge 3445

**Railroads**

(not Santa Cruz County)

Railroad right-of-way sold for Lynch Estate (Los Angeles County) share of proceeds sent to Mrs. Almira Hunt 66

San Francisco & San Jose Railroad (used for freight by Stockton Gas & Electric Co.) 146

**Railroads, Streetcar**

A. C. Hihn responded to Otto Stoesser’s letter concerning street railroads in Santa Cruz and freight hauling 3326

Hihn Co. asked M. V. McQuigg, Pres. Santa Cruz, Capitola & Watsonville Railway Co. for his business 2418

Hihn Co. offered several places for Sale to Victor L. Boeck (Hawaii), with stated prices, in Live Oak and Capitola near the electric railroad then being built, and the steam railroad main line 3380

order of lumber for Salinas Planing Mill, Salinas, Cal., via Moss Landing 443

sent the same letter addressed to Albion Lumber 428

San Francisco Merchants' Association

F. A. Hihn paid his dues, and made suggestions for shopping mall & subways 1770

San Francisco Political Record

1932

San Francisco prices (compared to Santa Cruz)

William Crichton billed F. A. Hihn Co. for $39.80 for goods purchase by S. L. Gibson at Laurel Mill, during January 1902; the Co. instructed Gibson not to buy from Crichton again, but to send his list to Hihn Co.'s office for purchase in San Francisco at cheaper prices 1305

San Francisco real estate

(not specified) to be sold as Probate sale by F. A. Hihn at private sale 165

Golden Gate Ave. & Leavenworth (at corner of), mentioned by F. A. Hihn in letter to Von Rhein Real Estate (San Francisco) 1055; property, corner lot of Golden Gate Avenue and Leavenworth St., under control of F. A. Hihn as Executor (Eastland Estate) 203; 50 Vara Lot at Golden Gate Ave. & Leavenworth; Hihn authorized O. F. Von Rhein to continue the option 392

Hihn, F. A. at East St. & Steuart St., leased to Claus Flathmann, who "built a brick building on it, which belongs to him." Hihn asked City Street Improvement Co. who was responsible for street improvements? 610, 613;
San Francisco real estate (continued)

replied to Claus Flathman that he would consider purchasing his brick building at Stewart (Steuart) St. for the Eastland Estate 1297; property for sale at East St., but F. A. Hihn considered price too high and buildings would have to be replaced with new foundations 1447;

Eastland Estate property, corner of Market & East, available for sale when Thomas Eastland became of age in about 1 year 1447; F. A. Hihn proposed to have electric signs atop his Market at East St. building, would consider Mr. H. G. Miner’s proposition 1368

Hihn, F. A. at Kearny Street sewer, February account, deposit of collected funds, etc., by O. F. Von Rhein Real Estate Co., approved by F. A. Hihn 1862; F. A. Hihn mentioned the “action concerning sewer on Kearney St.” in letter to the Von Rhien Real Estate Co. 1690

Hihn, F. A. ordered sewer to be laid, preference going to Mr. Williams to build same, tied in to Hihn’s “the sewer which runs from my Steuart St. house” 1387

Hihn, F. A. responded to a complain by “Col.” Smith regarding leaky gas pipes or gas fixtures; Von Rhein Real Estate Co. handled complaint on Hihn’s instructions, as well as Hihn’s suggestion that the rent should be raised $50. due to improvements made, etc. 2079

Hihn, F. A. - Van Winkle Estate evidently gave a contract to City Street Improvement Co., San Francisco, to build a bulkhead on property next to F. A. Hihn’s; he asked the Co. to estimate what they would charge him for similar bulkhead 728

Hihn, F. A. wrote Messrs. Lyon & Hoag that he would consider a bid of $200 per front foot 3069

Insurance: F. A. Hihn threatened cancellation of insurance unless rate is favorable 969

steam heating plant endorsement given by F. A. Hihn to H. Williamson & Co. 514

Valencia St. property: F. A. Hihn asked Owens, Varney & Green to render account for use of the front of lot 2064

San Francisco Savings Union (Lovell White, Cashier)

937, 1071

San Francisco Signs

F. A. Hihn proposed to have electric signs atop his Market at East St. building, would consider Mr. H. G. Miner’s proposition 1368

San Francisco Star (J. H. Barry, Editor)

1487; (L. U. Lovey, Clerk) 1917

San Francisco Subway

and shopping mall on Market St. proposed by F. A. Hihn in letter to Merchants’ Association 1770

F. A. Hihn presented a plan to S. P. Co. for a subway system for the waterfront to connect with businesses along the waterfront and the Belt R. R. 1680

Hihn Company sent check to Henry E. Adams to pay for "street work done on [its] property" in Stockton 2386

Holt Manufacturing was supplied power by Stockton Gas & Electric Co. 946.1-946.2

water rights, bonding, financing, etc.: Hihn’s letter to R. B. Oullahan 445

Stockton Gas & Electric Co.

(F. A. Hihn, President) 1267, 1744

(F. A. Hihn with Thomas B. & Joseph L. Eastland, held "the controlling interest in both the Stockton G. & E. Co. and in the Patent Brick Co.") 1906

A. T. Eastland (Secretary) asked by F. A. Hihn to co-sign a check 213, 215

accounts for Nov. 1901 listed and F. A. Hihn comments on each 146

Boilers & furnace design 632-633; boilers design was still of concern to F. A. Hihn, Frank Adams, G. C. Hyatt 773; design of boilers proposed by F. A. Hihn 869; design of boilers, Boiler Inspector’s certificate, letter from Harrison & Howard on subject of coal, etc. 870; boilers design specs discussed by F. A. Hihn to G. C. Hyatt 1066; see also "F. A. Hihn commented on various subjects" [below]

bookkeeping procedures designed by F. A. Hihn for Mr. Wellington 1061

California Hydraulic Engineering & Supply Co. & Henshaw, Buckley & Co. reps called on F. A. Hihn in S.F. in re specifications of boilers for Stockton 1572

Cash Fund, Superintendent’s Fund, remittances to Donohoe Kelley Bank, Gas or Steam Engines, Dynamo; Transformers 1196

coal purchase quotes from various bidders: Howard Co., Hetton, Harrison, Wallsend, etc. 1165; Howard Co.’s contract to supply coal for Stockton Gas & Electric Co. was to expire, F. A. Hihn asked A. T. Eastland to obtain new bids on 1,000 Hitton gas coal 759; ordered 1200 tons of coal from Howard Co. (San Francisco) 1228-1229

compared favorably to the Standard Current company, which was apparently its rival in Stockton 151.1-151.2

Customers’ Debts, Equipment, Rates 4

F. A. Hihn acknowledged reports from Henry E. Adams, Supt. 1742

F. A. Hihn addresses the issue of Franchise Tax, value of Co., debt of Co., etc., appeals for a reduced tax to County Assessor 946.1-946.2

F. A. Hihn answered S. A. W. Carver (Los Angeles) that the Co. was for sale "like any other property" and would consider any offer; the Co. is "a close corporation" 1741, 1745.2

F. A. Hihn answers concerns of Electrician to C. O. Poole (Supt., Standard Electric Co., San Francisco) 1046

F. A. Hihn apparently received salary of $250. per mo. as President 1296
Stockton Gas & Electric Co. (continued)

F. A. Hihn approved accounts and instructed A. T. Eastland, Secretary of Co. to sign checks and forward to Henry Adams, Co. Superintendent 1016

F. A. Hihn approved payroll with two errors discovered 1047; payroll checks for Dec. 1901 sent to A. T. Eastland for signature 1059

F. A. Hihn asked City Savings Bank for reduction of rate on note from 6% to 4% 136

F. A. Hihn asked G. C. Hyatt about bids, and "What can I do to hasten progress?" 1799

F. A. Hihn attempted to get favorable rate from Francis Smith & Co., San Francisco (Mr. Merbus mentioned) 971

F. A. Hihn commented on various subjects to H. E. Adams: discussed 5 or 6 subjects, from coal to electricity 383; 393-394; 576.1-576.2; 598; continued his letter of Dec. 28th on Dec. 31st 1901 with commentary on additional subjects 605.1-605.3; use of boilers to produce steam for electricity 626; Henry E. Adams on several topics 735.1-735.4; asked Adams to send description of surplus engine to H. A. Heppner & Co., and have a photograph taken of it for use in same 831; comments on various subjects: excessive price for pipe, old engine, City Savings Bank interest payments, Mr. Hornage, Jackson's pipe line, gas engine, boilers, etc. 853.1-853.2; 919.1-919.3; 960.1-960.3; wrote to H. E. Adams on various topics: December 1901 accounts 995.1-995.3; 1015.1-1015.2; 1077; wrote to H. E. Adams on several topics: boilers, transformers, etc. 1149; wrote H. E. Adams in regard to Boilers, and development of natural gas at Tracy 1157; his Salary check, sales of Coke, residue of Oil from furnaces, generator problems 1296; 1302.1-1302.3, 1398.1-1398.2, 1439, 1625.1-1625.2, 1630.1-1630.2, 1747.1-1747.2, 1865.1-1865.2; on boilers 1890; 1920.1-1920.3, 2019

F. A. Hihn deposited $2000 to account of said company in City Savings Bank, Santa Cruz 599; acknowledged receipt of same to A. T. Eastland 600

F. A. Hihn directed Henry E. Adams in bookkeeping procedures for accounts in arrears, establishes method of avoiding debts that would be invalid due to statute of limitations 93

F. A. Hihn discussed potential with Joseph L. Eastland 1167

F. A. Hihn forwarded Mr. Poole's correspondence to Henry E. Adams 1112

F. A. Hihn inquired of Chas. C. Moore & Co., San Francisco, what the relative cost would be to supply oil engines vs. natural gas 446

F. A. Hihn inquired of Edward Barry about the sale of bonds 150

F. A. Hihn on estimated cost of using batteries to store electricity 1327.1-1327.2; 1684

F. A. Hihn on various subjects:

Bid of California Hydro Electric & S. Co.; Braces on boilers; Boilers Support; Drum; Feed Pipe 1952

Boilers - ordered two boilers from Tracy Engineering Co. (San Francisco) 648; wrote H. N. Tracy that the specs for boiler were received and he would confer with Mr. Hyatt at Stockton before deciding on action 733; mentioned to P. Caduc in San Francisco the tank being built for storage of oil for boilers 775.1-775.2; Tracy Engineering Co. requested to bid on manufacture of boilers 1160; California made versus Eastern made 2032;
F. A. Hihn on various subjects:
(continued)
replied to Cal. Hydraulic & Engineering Co., S.F., that he would forward its proposal to Mr. G. C. Hyatt at Stockton who has charge of the boiler proposition 1893; 2067-2068
disliked delays making reduction in gas rates; Henry E. Adams apparently asked Hihn for some ferns, and Hihn commented on several possibilities 2078
gas vs. coal, Mr. Dutton elected as Director of San Francisco Gas & Electric Co.; oil discovery at Sunset District; O’Conner & Jackson leases that had expired; steam vs gas engines; Otto Gas Engine vs Westinghouse Engine; storage batteries; Charles M. Moore Co., conference with Mr. Bunker; Allis Corliss Engine; General Electric Co. generator 1300.1-1300.2
Patent Brick Co., to Wm. H. DeValin at San Rafael 1739.1-1739.2
profits of the Stockton Gas & Electric Co., etc., Steam engines, etc. 1408.1-1408.2; stationery, mailing costs, manufacture of gas 1745.1-1745.2; Water or Oil and Water Gas; patent of Mr. Low 1859; including his statement about his fear of having to sell the Stockton Gas & Electric Co. to "John Martin and his crowd" - for stock in his Company - no cash 1939.1-1939.2
F. A. Hihn planned to extend the gas mains to other sections of Stockton 663
F. A. Hihn proposes a system of pipes for natural gas 628
F. A. Hihn received letter from General Electric Co., which was receiving attention 1662
F. A. Hihn reimbursed for expenses for trips to Stockton and San Francisco $22. 1744
F. A. Hihn replied to letter from Electric Storage Battery Co., S.F. 1643
F. A. Hihn replied to S. A. W. Carver (Los Angeles) that the Co. was for sale, but before putting it on market for potential buyers to examine, they desired to make certain alterations and improvements first 1887; replied that there was no justification for a conference at the moment 1931
F. A. Hihn requested stationery be sent him by Henry E. Adams 622; ordered stationery 1057; acknowledged receipt of stationery to H. E. Adams 1180
F. A. Hihn responded to letter from R. B. Daggett, Mgr., Chloride Accumulator, San Francisco, about his investigation of the cheapest way to create, store, and reconvert electricity: steam or storage battery 1406
F. A. Hihn sent $2000 check to A. T. Eastland for deposit to Donohoe Kelly Bank for March 1902 interest payment on Bonds 1453, 1457
F. A. Hihn sent approved check for bills to A. T. Eastland, Secretary of Co. 1338
F. A. Hihn sent two checks to A. T. Eastland for his signature and deposit to Donohoe Kelly Bkg. Co. for interest on bonds 1632, 1634
F. A. Hihn sent various checks to A. T. Eastland, Secretary of Co., for endorsement, deposit and/or transmittal 1872
F. A. Hihn signed check for bills and forwarded to the Corp. Secretary 1336
F. A. Hihn thanked C. O. Poole, Standard Electric Co., for his consideration 1110
F. A. Hihn on various subjects:
(continued)

F. A. Hihn wrote P. Caduc in San Francisco for blueprints furnished by Tracy Engineering 757.

F. A. Hihn wrote to G. C. Hyatt in re boilers, Otto Gas Engine Works, shape of furnaces, etc. 1189.1-1189.2

F. A. Hihn wrote to the competition for Stockton business, Standard Electric Co. (C. O. Poole, Supt.) and asked for certain devices to protect Stockton Gas & Electric Co. from more breakdowns by Standard 1699.

financial report for Nov. 1902; operation, bookkeeping, boilers 655.1-655.2

had an engine for sale that was suitable for a saw mill, box mill or where economy in fuel was not of importance; price $2500 571

List of Mains in Stockton, operations, storage battery, two new boilers and building proposed 662.1-662.2

Moore & Co., Charles C. request for information in re Westinghouse gas engine 1163

rates for power, expanding business from Knight's Ferry, etc. 135.1-135.2

surplus engine offered to H. A. Heppner & Co., San Francisco 830

Telegraph/Telephone Poles

10,000 poles order from Western Union delayed 259

100 pole order to ship to Oakland from Laurel Mill 1896

100 poles sent from Laurel 1912

1000 to 6000 25 ft. poles sold to Western Union Telegraph Co. by Frederick Otto Hihn 1330

118 available at Laurel 975

25 pole order for Western Union corrected from 20 poles 1963

250 poles for Western Union Telegraph Co. were ready at Laurel Mill, F. A. Hihn Co. asked for shipping instructions 1612

3000 pole order for Western Union had (as of Feb. 17, '02) only 250 supplied 1590

50 poles shipped 1870

50 poles to be sent from Laurel 1864

642 poles ready at Laurel for inspector 463

68 poles shipped from Laurel Mill to San Francisco 349

advised on status of its order for the Electric Improvement Co. 1669

advised that 35 ft. poles were still available 2041

availability 30 ft. poles of 10X10 - O.K., but not 9X9s 1529

capacity: eighty poles on one broad gauge car load to Western Union 309

Carter & Sons, George E. (San Francisco)
(installing poles for Electric Improvement Co., San Jose)

Chase, S. H.: was advised of price terms for quantity, etc. 1051; was asked if he could furnish an poles; he was advised of price terms for delivery F.O.B. Cars San Jose 1082

demand for redwood poles "owing to their superior lasting qualities" 1675

Electric Improvement Co. (San Jose)
order for 50 poles 6X6 - 10X10 x 30" for San Jose 1549; shipment from Laurel of poles expected Saturday, March 1, 1902 1817; see also Carter & Sons, George E. (San Francisco)

F. A. Hihn advised Western Union (F. H. Lamb) that poles were unavailable, but the Laurel Mill would be running June 1st when poles would be supplied if ordered 3297

F. A. Hihn asked S. H. Chase (San Jose) if he could supply poles and timbers and other common Redwood, also Pine 3156

F. A. Hihn inquired of A. R. Booth (Boulder Creek) on availability of ties, telephone poles, and clear lumber 3692

F. A. Hihn notified Western Union that the Laurel mill had cut 100 poles in three days, and expected to have 200 more each week, until after March when it would be 750 or more per month, equal numbers from other mills 1411

F. A. Hihn ordered 2 car loads of Cedar Poles for Stockton Gas & Electric Co. c/o H. E. Adams, from Geo. E. Carter Co. (S.F.) 3891
**Telegraph/Telephone Poles** (continued)

F. A. Hihn ordered poles and lumber for Hollister Lumber Yard from Wm. H. Booth (Boulder Creek) 3731

F. A. Hihn was in San Francisco to check on Western Union's order for telegraph poles 287

F. A. Hihn wrote his son, F. O. Hihn, about the Western Union contract for furnishing poles 1193

F. A. Hihn wrote Western Union Telegraph Co. that he hoped that other mills in Santa Cruz Mts would be convinced to cut poles 1734

Frederick Otto Hihn quoted price of telegraph poles to Carter & Co., but it was limited to stock on hand 1375

General Electric Co.: wanted poles, F. A. Hihn Co. was out, made alternate offer and stated prices at $3.68 and $4.89 each 1696

Gold Gulch & Laurel stock quoted 1239

Gold Gulch & Santa Cruz supplies offered to Carter & Co. 1758

Hihn Co. (via W. D. Mearns) advised Henry Eastland Adams (Stockton Gas & Electric Co.) on availability of Cedar poles; F. A. Hihn advised taking only 50 ft. poles, that a stronger pole is secured with a very small increase in cost 3833

Hihn Co. could not furnish the 60 or 70 ft. poles ordered by Geo. E. Carter & Co. (S.F.) 3367

Hihn Co. explained to Carter & Co. that it had a big contract to fill before any 25-ft poles would be available 1564

Hihn Co. responded to inquiry of Truckee River General Electric Co. (S. F.) that its Laurel Mill was not yet in operation, expected June 1st to be able to respond to its orders 3573

Hubbard & Carmichael asked if F. A. Hihn Co. could furnish poles; he was advised of price terms for delivery F.O.B.Cars San Jose 1084

immediate shipment of carload of poles for Carter & Co. for Electric Improvement Co., at San Jose, urged by F. A. Hihn Co. 1806

inventory at Fahihn (Gold Gulch), Laurel, and Santa Cruz quoted to Western Union 1027

Keswick Electric Power Co. (San Francisco) order for poles to be shipped from Laurel 565

Laurel Mill inspected and ready for shipment to Lovelock, Nevada 490

McAbee Bros. (Boulder Creek): Hihn Co. asked if they would subcontract for 10 to 20 percent of their production in poles 1768

Middleton, H. L.: F. A. Hihn asked for quote from H. L. 454

Miller & Lux inquired on availability of 25' poles, but Laurel Mill had none 2295

Oakland Gas & Electric Co. poles offered to 1029

offer to ship to Western Union 302

on hand at Laurel, ready to be shipped to order of Carter & Co., San Francisco 825

order for Carter & Co. plus price list for poles set from $25. to $55 per M. feet, for poles 20 ft. to 50 ft. in length 525
Telegraph/Telephone Poles (continued)

ordered from Laurel Mill for Western Union 293

prices and availability for Western Union Telegraph Co. 866

prices and sizes quoted to R. Hart (Santa Maria), starting abt. June 15, when Laurel Mill would be in operation 3667

prices of Poles and discounts, credit issued, quoted to Carter & Co. 1965

prices quoted to Carter & Co. 1516

ready for shipment from Laurel 316

rebate claimed by Carter & Co. for 5 poles sent as #2, but Hihn Co. explained the lower grade and offered a discount 1877

Ryder, H. W. (Phoenix, AZ) poles & other lumber prices quoted 922

shipment to Carter & Co. expected, depending on weather 1998

shipment to Western Union delayed for week until Laurel Mill's cable system was operating 1019

shipped from Laurel to Western Union c/o B. A. Worthington, S.F. 1945

shipped from Laurel via Pacific Coast Steamship Co., used to ship poles consigned to Western Union for Port Harford, San Luis Obispo 364, 373

Southern Pacific Co.: at Fahihn railroad siding: telegraph poles, from 8 to 9,000 were ready for shipment, larger railroad car ordered 1348

Water Rates (continued)

Pon Tong notified that his rate was $24 per acre per year = $2 per mo., payable in advance 3195

Soquel charged at tariff 328

specified to C. Wesselhoff, Santa Cruz 2700

Water shut off for non-payment

Isaac N. White advised by F. A. Hihn that he could make a claim against the County 1064

Water Service & Supply

Albert J. Hihn wrote to Howard Holway (Keystone Ave.) citing the cost of extending pipes to his house 2943

F. A. Hihn wrote his nephew Albert J. Hihn regarding the cost of supplying water to berry growers 3642

Henry Call complained of short water supply 3847

Hihn Co. drafted agreement and sent it to Mrs. R. M. Clark for her agreement on supply of water from Hihn’s Water System for the Ocean Villa Hotel 2768, 3958

Water Supply at Laurel Mill

installation of additional at Laurel ordered to supply families "who are entitled to it" 1490

referred to by Hihn in his estimates of distances for building flume at Laurel 3711

Water Tanks

3M gal. tank ordered for Salinas Lumber Yard from Loma Prieta Lumber 2941

Charles Anselmi, Gonzales, quoted $220. for two tanks 10M & 12M gals 2305

Hihn Co. asked for quote from Loma Prieta Lumber Co. on 12,000 Gal. tank, delivered Watsonville 2275

Hihn Co. asked for quote on 10,000 and 12,000 Gal. tanks from Pacific Tank 2276

Hihn Co. reserved certain lumber for "Tank stock": 2X6 - 14 & 16 Select or Clear redwood 1401

price was about to change 2899

quote mailed M. Williams, Gonzales 2725

redwood, prices sent to Salinas Planing Mill, as agreed with Loma Prieta Lumber Co. 464

Water Wheel

F. A. Hihn Co. wrote to Pelton Water Wheel Co. (San Francisco) following F. O. Hihn’s visit, for availability of six-horse power water wheel, used. 1308

Water Works, Santa Cruz (F. A. Hihn Co.)

Hihn Co. asked Pacific Press Publ. (Oakland) for quote on books & receipt tags for Water Works 3356

Tool & Die cutting equipment, price quote fr. Dunham, Carrigan & Hayden 2776

Waters, J. W.

2421
Waters, James (Watsonville Nurseryman)
F. O. Hihn ordered 89 trees: Apples: Missouri Pippins; Peaches: Alexander, early Crawford, and Mary’s Choice; Cherry: Centennial and Black Tartarian; Plum: Kelsey Japan 2595

Waters, W. C.
3011

Watry, F.
3885

Watson, Taylor & Sperry
2233, 2290, 2329, 2624, 3179, 3364, 3563

Watsonville, Cal.

"3rd Street matter" resolved, D. Alexander sent $1.80 in stamps to A. C. Hihn, being his portion of surplus of "3rd Street fund" 3327

Hihn Co. requested latest map of Watsonville for site of property offered by C. K. Ercanbrack 2428

J. H. Routt, for the F. A. Hihn Co., replied to A. C. Bassett’s letter in regard to prices charged for lumber, etc. 2784

Watsonville Christian Church
Hihn Co. agreed to make bid on mill work and lumber 2609

Watsonville Nursery
(Frederick Grant Burland, Mgr. & Prop.) 911, 997

Watsonville property
Grace E. Hihn asked George D. Horgan what the assessment was on the property (corner Main & 3d), formerly assessed to her and J. F. Cooper (her brother) 3049

Watsonville Railroad & Navigation Co.
Hihn wrote F. A. Kilburn about the latter’s plan for a railroad from Watsonville to Watsonville Landing 2717

Watsonville Transportation Company
opposed by Aug. C. Hihn in letter to Otto Stoesser in re railroad franchise 2686

Weather
"a climate that can not be beaten in the world": F. A. Hihn Co. touted to potential buyer of real estate, W. H. Clark (Coburg, Oregon) 1869

"owing to the recent severe storms, we are obliged to suspend operations at the Mill for a few days" - Feb. 25, 1902 report to Geo. E. Carter & Co. 1758

"unusually severe" storms in Santa Cruz Mountains delayed loading of cars for shipment of Posts to Estate of W. W. Hollister (Santa Barbara); check returned; should Hihn Co. retain order for later fulfillment? 1804; caused slides on wagon roads, etc.; men laid off or shifted to other work at Laurel 1805

bad weather delayed unloading cars at Laurel Mill, due to heavy slides; J. H. Routt asked S.P. for waiver of demurrage 1785-1786
F. A. Hihn remarked that "I think it is about as cold or colder as I ever experienced in California." 2175

factor in fulfilling order for Firewood shipment 2102

Firewood order from Borchers Bros. turned down due to weather 2314

flooring order delayed to J. J. Rose (Ben Lomond) due to rainy weather, F. A. Hihn apologized for delay 3302

heavy rain caused delay in shipment of Pickets to H. R. Dakin from Boulder Creek 2599

heavy rains "last week" blocked roads, so Hihn Co. couldn’t haul out for shipment to C. L. Torr (San Jose) 3066

improved conditions prompted letter to S. L. Gibson at Laurel Mill to maintain cables, etc. 2050

instructions sent by J. H. Routt to Laurel Mill for wrapping pipes to prevent bursting in freeze 334

Madrone not available due to heavy rains; Tan Oak available for Hewitt & Morris, San Jose 2578

no more firewood would be available until spring, pack trains retired for season 2172

severe storms in February 1902 caused delays in production of telegraph poles for Southern Pacific Co. 1992

Southern Pacific Co.: R. P. Schwerin notified that his orders would be filled as soon as possible, storm interfered 1850

Weber Family (Stockton)

in re Coyote Ranch, F. A. Hihn suggested a partition of ranch and separate mortgages 360

Weber map of Stockton

used by F. A. Hihn to plan for expansion of gas mains throughout the City 663

Weber, F.

(Mrs.) water account in arrears 676

Weaver, Nancy

(Mrs.) water account in arrears 696

Weeks, Thomas J.

mentioned as owner of lot that Samuel Leask might acquire for "the proposed church" 1826

Weeks, William Henry (Watsonville Architect)

Hihn Co. submitted a bid on Mill Work for Harry Ashland Greene’s building in Monterey 3128

mentioned by F. A. Hihn in re Paso Robles Hotel Co. lumber bid 2724.2-2724.3

mentioned by F. A. Hihn in letter to Harry Ashland Greene (Monterey); Weeks designed the latter’s building to be erected using materials furnished by F. A. Hihn Co. 3425

same letter sent to Weeks & W. A. Junker, Paso Robles 2177-2178

Watsonville architect referred to by F. A. Hihn in letter to Abner McMahon in re bidding on a lighting plant for Cal Poly, San Luis Obispo 3899

Weeks designed the latter’s building to be erected using materials furnished by F. A. Hihn Co. 3584

Welch, Stanley

2022
Wellington (Mr.)

bookkeeping procedures designed by F. A. Hihn for Stockton Gas & Electric Co. 1061

Wells Fargo & Co.

(Santa Cruz office) 2121

(A. Christianson, Mgr.) 2292

F. O. Hihn and W. R. Johnston were to carry out details of remodeling the Wells Fargo Express office to be rented by F. A. Hihn Co. 3936, 3942

Hihn advised that an awning was not promised as part of the rental of the new office 3859

Hihn had 400 souvenir booklets printed by Barnhard & Swasey (S.F.) with envelopes, for distribution to the Y.W.C.A. on Sunday, May 24, 1903; shipped to Frank Reanier at Capitola via Wells Fargo & Co. Express 3892

Hihn placed order for wall paper for new Wells Fargo office in Santa Cruz, sent ltr. to Mr. Bay (San Francisco) to go to Uhl Bros. and make selection 3459

Hihn prepared alterations to Wells Fargo's Santa Cruz office and ask for approval before drawing up a renewal lease 2508

plans for remodeling 2698

Wells Fargo job had changes in Wall Paper which increased price; Hihn Co. advised J. H. Langtry that Wells Fargo should pay for it 3687

Wells Fargo Express Co.

(Mr. Bay, Route Agent) 3859;

(J. H. Langtry, Supt.) 3600, 3936, 3942;

(Richard Thompson, Mgr.) 3560, 3576

Plow points for Frank Reanier at Capitola ordered from Baker & Hamilton, San Francisco, to be sent via Wells Fargo Express 457

Wendling, Cross & Augsbury Co.

1101, 1244, 1675

Wendling, G. K. (Esq.)

874, 848

Wendling Lumber Co.

2214, 2271, 2520, 2834, 2953, 3001, 3435, 3816

asked to quote on special sizes and grades of Oregon Pine 2479

Hihn Co. asked for price quotes from Bellingham Bay Improvement Co., Hubbard & Carmichael (San Jose); and Wendling Lumber Co. 2859

Lumber (Channel Rustic #2): carloads offered to several lumber companies in S.F. 2492

Price quote on Oregon Pine, Spruce, and Lath lumber requested from Geo. D. Grey & Co.; Russell & Rogers; Wendling Lumber Co.; Bellingham Bay Imp. Co. (all San Francisco) for delivery at Hollister, Salinas, and Santa Cruz 2970

request quote: Oregon Pine, and Lath 2848

request for quote on Oregon Pine, Spruce, and Sugar Pine 2847

Werner property

"likely to be sold soon"; F. A. Hihn recommended the Women's Decorative Art Society buy it and use the dwelling for work rooms and lunch room, build a store on other part of property 1664
Werner & Lamb

carload of pine ordered, not yet shipped, request to hurry shipment 2245
